

Adding a New Student to the Student Census

Instructions

1. Print an “[Add New Student to Student Census](#)” form.
2. Indicate your school name, the school year for which you are adding data, and whether you are requesting changes to be made to the fall census, the spring update or both. Please note that we will only make additions to the census indicated on the form. If you wish to have the data added to multiple school years or collections it must be indicated on the form.
3. Provide information for all the fields listed in table on the form. Please refer to the [code set sheet](#) for the proper values of several fields.
4. For the following fields, please enter a Y (yes) or N (no). The fields include the race fields (Am. Indian, Asian, Af. American, Nat. Hawaiian, White), ethnicity (enter Y if the student is hispanic), section 504 (SS504), ESS, School Lunch Free, School Lunch Reduced and School Lunch Not Eligible.
5. If you are adding a student to the spring census you will also need to report attendance and absence information.
6. Please provide contact information in case we have questions about your request. We ask for a name, phone number and fax number.
7. You will need to fill out one of these forms for each student record that needs to be added.
